

Opt-in to Cyber Safety

No one intends to be unsafe online. Help protect your identity and devices with Norton LifeLock benefit plans. Let us help empower you and your family to live your digital lives safely.

Device Security

Anti-virus software and multi-layered, advanced security helps protect devices against existing and emerging threats, including malware and ransomware.

Online Privacy

Norton Secure VPN protects devices and helps keep online activity and browsing history private. Privacy Monitor scans common public people-search websites to help you opt-out. And SafeCam alerts you and blocks attempts to access your webcam.¹

Features may differ depending on plan.

Identity

We monitor for fraudulent use of personal information, and send alerts when a potential threat is detected.[†]

Home & Family

Take action to monitor your child's online activity with easy-to-use tools to set screen time limits, block unsuitable sites, and monitor search terms and activity history.

No one can prevent all identity theft or cybercrime.

[†] We do not monitor all transactions at all businesses.
